EXECUTIVE MEMORANDA-Q0001

By the Executive power vested in the office of president for The United States of America by the National assembly for the Government of The United States of America, the following is an executive memoranda:

That the U.S. SUPREME COURT OF THE UNITED STATES is here and ever after considered an armed force of the Military and not a Court. This was caused by using a notoriously dangerous vaccine as a weapon against religion and Civilians. When the U.S. Supreme Court denied the application for injunctive relief presented to JUSTICE SOTOMAYOR on December 13, 2021. (Reference Cite as: 595 U.S. (2021), No. 21A145). On or around September 19, 2021 the CATHOLIC ARCHBISHOP VIGANO admits the vaccine is a gene altering bioweapon. <https://www.bitchute.com/video/XPaZm5gx0CrD/>, it attacked all religious institutions and civilians with a Military grade weapon disguised as a vaccine. The U.S. Supreme Court caused a violation of natural religious rights of inhabitants in violation of international Law and the codified Law of Nations Book I Chapter XII Of Piety and Religion § 131 when denying religious exemptions.

Furthermore, numerous Physicians have warned of the side effects related to the vaccine including prominent cardiologist Dr. Peter McCullough who states that there are 11,000 myocarditis certified cases in U.S. database known as VAERS which tracks vaccine-related deaths and injuries. The Center for Medicare and Medicaid Services suggest the unreported

data factor is about five times the reported number. <https://www.westernjournal.com/top-cardiologist-game-changing-study-shows-covid-vaccines-dangerous-virus/>. The denial of a conscientious objection also becomes a violation of the Law of Nations and the Nuremberg code.

Issued on this the 272nd day in the year of Yahweh, 6023 , translation 16th day of December in the two thousand and twenty first year of the new covenant in Yahushua's name.

office of president for The United States of America,

Howard Frederick Walker III
